One Audiobooks as Artifacts Carol Vorderman's Perfect 10 Quiz Book Dreams The Bridge Across Forever Business India Life Stories Talking Book Topics One The Publishers Weekly Illusions Media Review Digest Kliatt Young Adult Paperback Book Guide The Integrity Advantage Why You are You Becoming Noise Music There's No Such Place as Far Away The Gramophone An Evening with Richard Bach Quill & Quire *Richard Bach David Seinberg Carol Vorderman Robert J. Hoss Richard Bach Maureen O'Connor Richard Bach Richard Bach C. Edward Wall Kelley Kosow Victor L. Chan Stephen Graham Richard Bach Richard Bach*

in his latest novel one phenomenally bestselling author richard bach asks the questions what if we could meet the people we are destined to be in twenty years what if we could confront the people we were in the past and those we are right now in parallel lifetimes in alternate worlds

their ever evolving popularity notwithstanding audiobooks remain a rather undertheorized phenomenon the prevailing handful of existing studies seem to have adopted an inherently historicist approach which fails to identify and scrutinize their aesthetic importance thus rather than regarding them as mere recorded versions of existing literary works this book explores them as the unique products of a hitherto undefined artistic genre as performance based aural artefacts the very act of listening to them is rendered an aesthetic experience in its own right by effectively embracing an interdisciplinary approach and introducing a set of aesthetic questions and philosophical conundrums

ignited by a paradigmatic application of the new institutional theory of art this study establishes a new aesthetic category which in turn not only classifies audiobooks as artworks to all intents and purposes but also generates the criteria and parameters for evaluating their merit since the proof of the proverbial pudding is purportedly in the eating in surveying a series of concrete case studies each highlighting different degrees of complexities this study mainly examines first person narratives as the most natural medium for the aesthetics of the audiobook as such the investigation herein provides one with comparative close listenings appropriately analyzing and debating their aesthetic properties finally in exploring what this study identifies as one's informed intuition and its role in the craft of casting audiobooks this study also proposes a new understating of how aesthetic appreciation works in action

i gave my life to become the person i am right now was it worth it would we change if we knew what waits beyond space and time with one the ninth novel from the ever spiritual and imaginative author of jonathan livingston seagull richard bach continues his quest for a deeper understanding of human nature although the elements of a great science fiction novel are present the plot is secondary to the novel's theme of humanity's ability to control destiny the boston herald if you have ever tried to judge a book by its cover one lives up to this question in the headline and more bach gives the reader much to ponder so much so in some chapters that the thoughtful may be tempted to read no more than a page at a sitting not because it's cumbersome reading but because the ideas are worth savoring usa today one is a provocative book it gives beautiful hope filled answers indianapolis news uplifting each of the inspirational set pieces preaches the same message of the power of each individual to choose the ways of peace brotherhood and love to live with a reverence for nature and at harmony with the universe back again displays an inventive imagination and inspirational zeal publishers weekly one

presents a number of provocative speculations what would it be like to meet yourself when you were older or younger how would your life turn out if you had made different choices split up with your spouse been born in a different time and place with love and hope as their guides and what matters most as their destination the bachs touch down in different times and places where they commune with some of their alternative selves the new york times book review this is a strange and though provoking fantasy from the man who gave us jonathan livingston seagull and illusions one that is imaginative playful and in places startling in concept the anniston star instead of soaring and diving through space passengers on this flight must be prepared to cruise slowly making several stops to look at their motivation and lifestyles as the bachs look at their own detroit free press

in the cloud washed airspace between the cornfields of illinois and blue infinity a man puts his faith in the propeller of his biplane for disillusioned writer and itinerant barnstormer richard bach belief is as real as a full tank of gas and sparks firing in the cylinders until he meets donald shimoda former mechanic and self described messiah who can make wrenches fly and richard s imagination soar in illusions the unforgettable follow up to his phenomenal bestseller jonathan livingston seagull richard bach takes to the air to discover the ageless truths that give our souls wings that people don t need airplanes to soar that even the darkest clouds have meaning once we lift ourselves above them and that messiahs can be found in the unlikeliest places like hay fields one traffic light midwestern towns and most of all deep within ourselves

are you ready to open up to new levels of self trust and self love to get where you want to go you vowed to speak up at work and then sat silent in the meeting yet again you told yourself this time the diet is going to stick only to watch the scale inching up you felt that something just wasn t right about someone that until you learned the hard way that your instincts were right every time you bite your tongue teaches kelley kosow you swallow your integrity before kelley kosow was a renowned life coach and ceo she constantly second guessed herself let her to do lists and others steer her dreams and passions and played it small and safe inspired by the groundbreaking principles of her renowned mentor debbie ford who hand picked kelley to be her successor the integrity advantage is kelley s step by step guide for facing the fear shame and false beliefs that cause us to lose our way through life changing insights true stories and proven strategies this book will show you how to live on your own terms according to you from the inside out join this transformational leader and motivational speaker to learn how to

connect with your inner truth and keep it growing stronger day by day level up your self love and self trust to get where you want to go embrace the totality of who you are turn the tide on mediocrity break free of the gravitational pull of your past get fearless and excited about moving outside of your comfort zone stop living from your to do list and start living from your bucket list become the person you want to be every day we make promises to ourselves and then we break them but it doesn't have to be that way if you're ready to stop fighting with yourself start trusting your deeper wisdom and return to wholeness this is the book for you

becoming noise music tells the story of noise music in its first 50 years using a focus on the music's sound and aesthetics to do so part one focuses on the emergence and stabilization of noise music across the 1980s and 1990s whilst part two explores noise in the twenty first century each chapter contextualizes tells the story of the music under discussion before describing and interpreting its sound and aesthetic stephen graham uses the idea of becoming to capture the unresolved dialectical tension between noise disorder and musical order in the music itself the experiences listeners often have in response and the overarching story or becoming of the genre that has taken place in this first fifty or so years the book therefore doubles up on becoming it is about both the becoming it identifies in and the larger genre making process of the becoming of noise music on the latter count it is the first scholarly book to focus in such depth and breadth on the sound and story of noise music as opposed to contextual questions of politics history or sociology relevant to both musicology and noise audiences becoming noise music investigates a vital but analytically underexplored area of avant garde musical practice
